Main activities

01

Opening ceremony and ice-breaking

Invite professional instructors of team quality development to carry out team ability training and quality development for the campers of "Winter Camp". Through the development activities such as "Ice-breaking Journey", the campers introduce each other, narrow the distance between campers and enhance the team's cooperative spirit.

Visits

1. Visits to landmarks in Guangzhou, such as Canton Tower, Zhujiang New Town CBD, Shamian Island, etc., and visits to Guangzhou Higher Education Mega Center.

Canton Tower is located at an intersection of Guangzhou New City Central Axis and Pearl River, facing directly Haixinsha Island and Zhujiang New Town. It is currently the highest tower in China and the third highest tower in the world. Canton Tower is 600 meters high, with 450 meters of its main body and 150 meters of its antenna, which makes it the highest tower in China and third highest in the world. The tower shows a spirit of dynamic Guangzhou welcoming challenges and embracing the world. The Canton Tower is a comprehensive sightseeing building as well as a renowned tourist attraction with the multi-functions of sightseeing, adventure, food & beverage, wedding, MICE, 4D cinema, sci-tech, education and shopping. It has been entitled as the National AAAA Level Tourist Attraction, the most valuable member of World Federation of Great Towers. Canton Tower Cultural Tourism Development Co., Ltd. is committed to make Canton Tower into a world-famous tourist attraction.

Pearl River Night Cruise

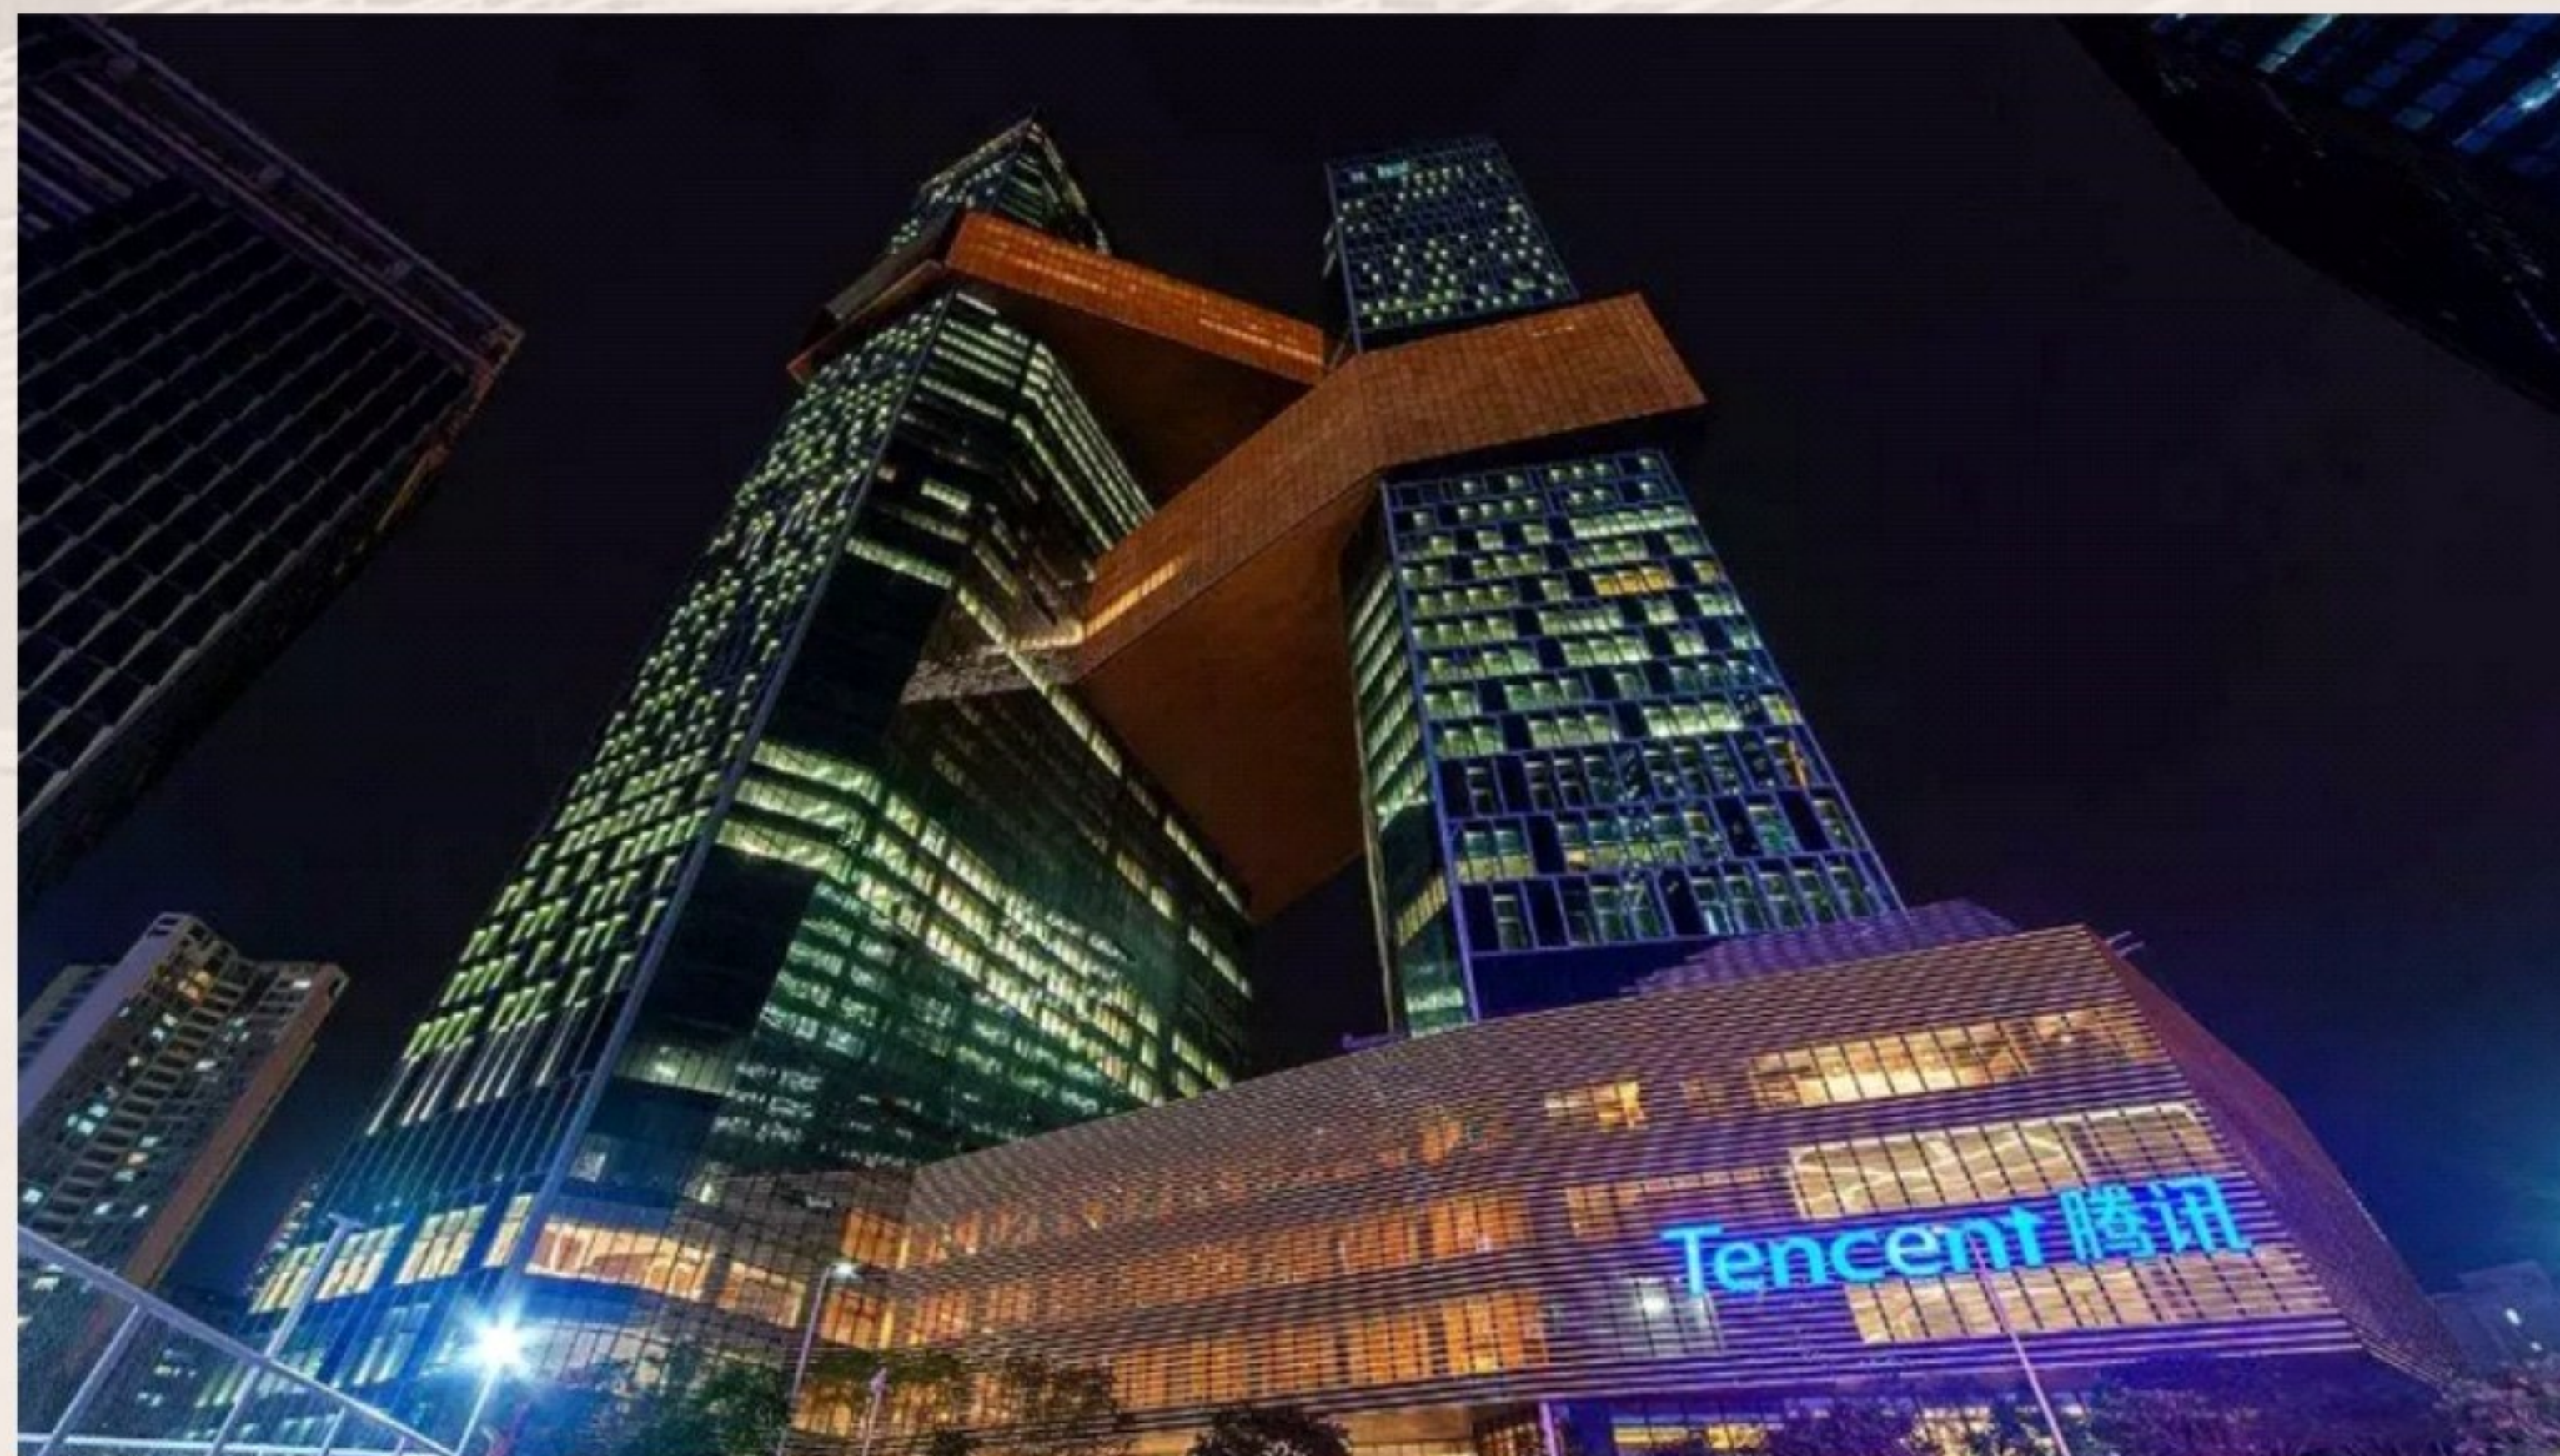

2. Visits to Guangzhou Automobile Group, Midea Group, Tencent Headquarters and other industrial developments and modern scientific and technological achievements etc in the Guangdong-Hong Kong-Macau Greater Bay Area.

Huawei Songshan Lake Town

Guangzhou Automobile Group (GAC) Aion

Tencent headquarters

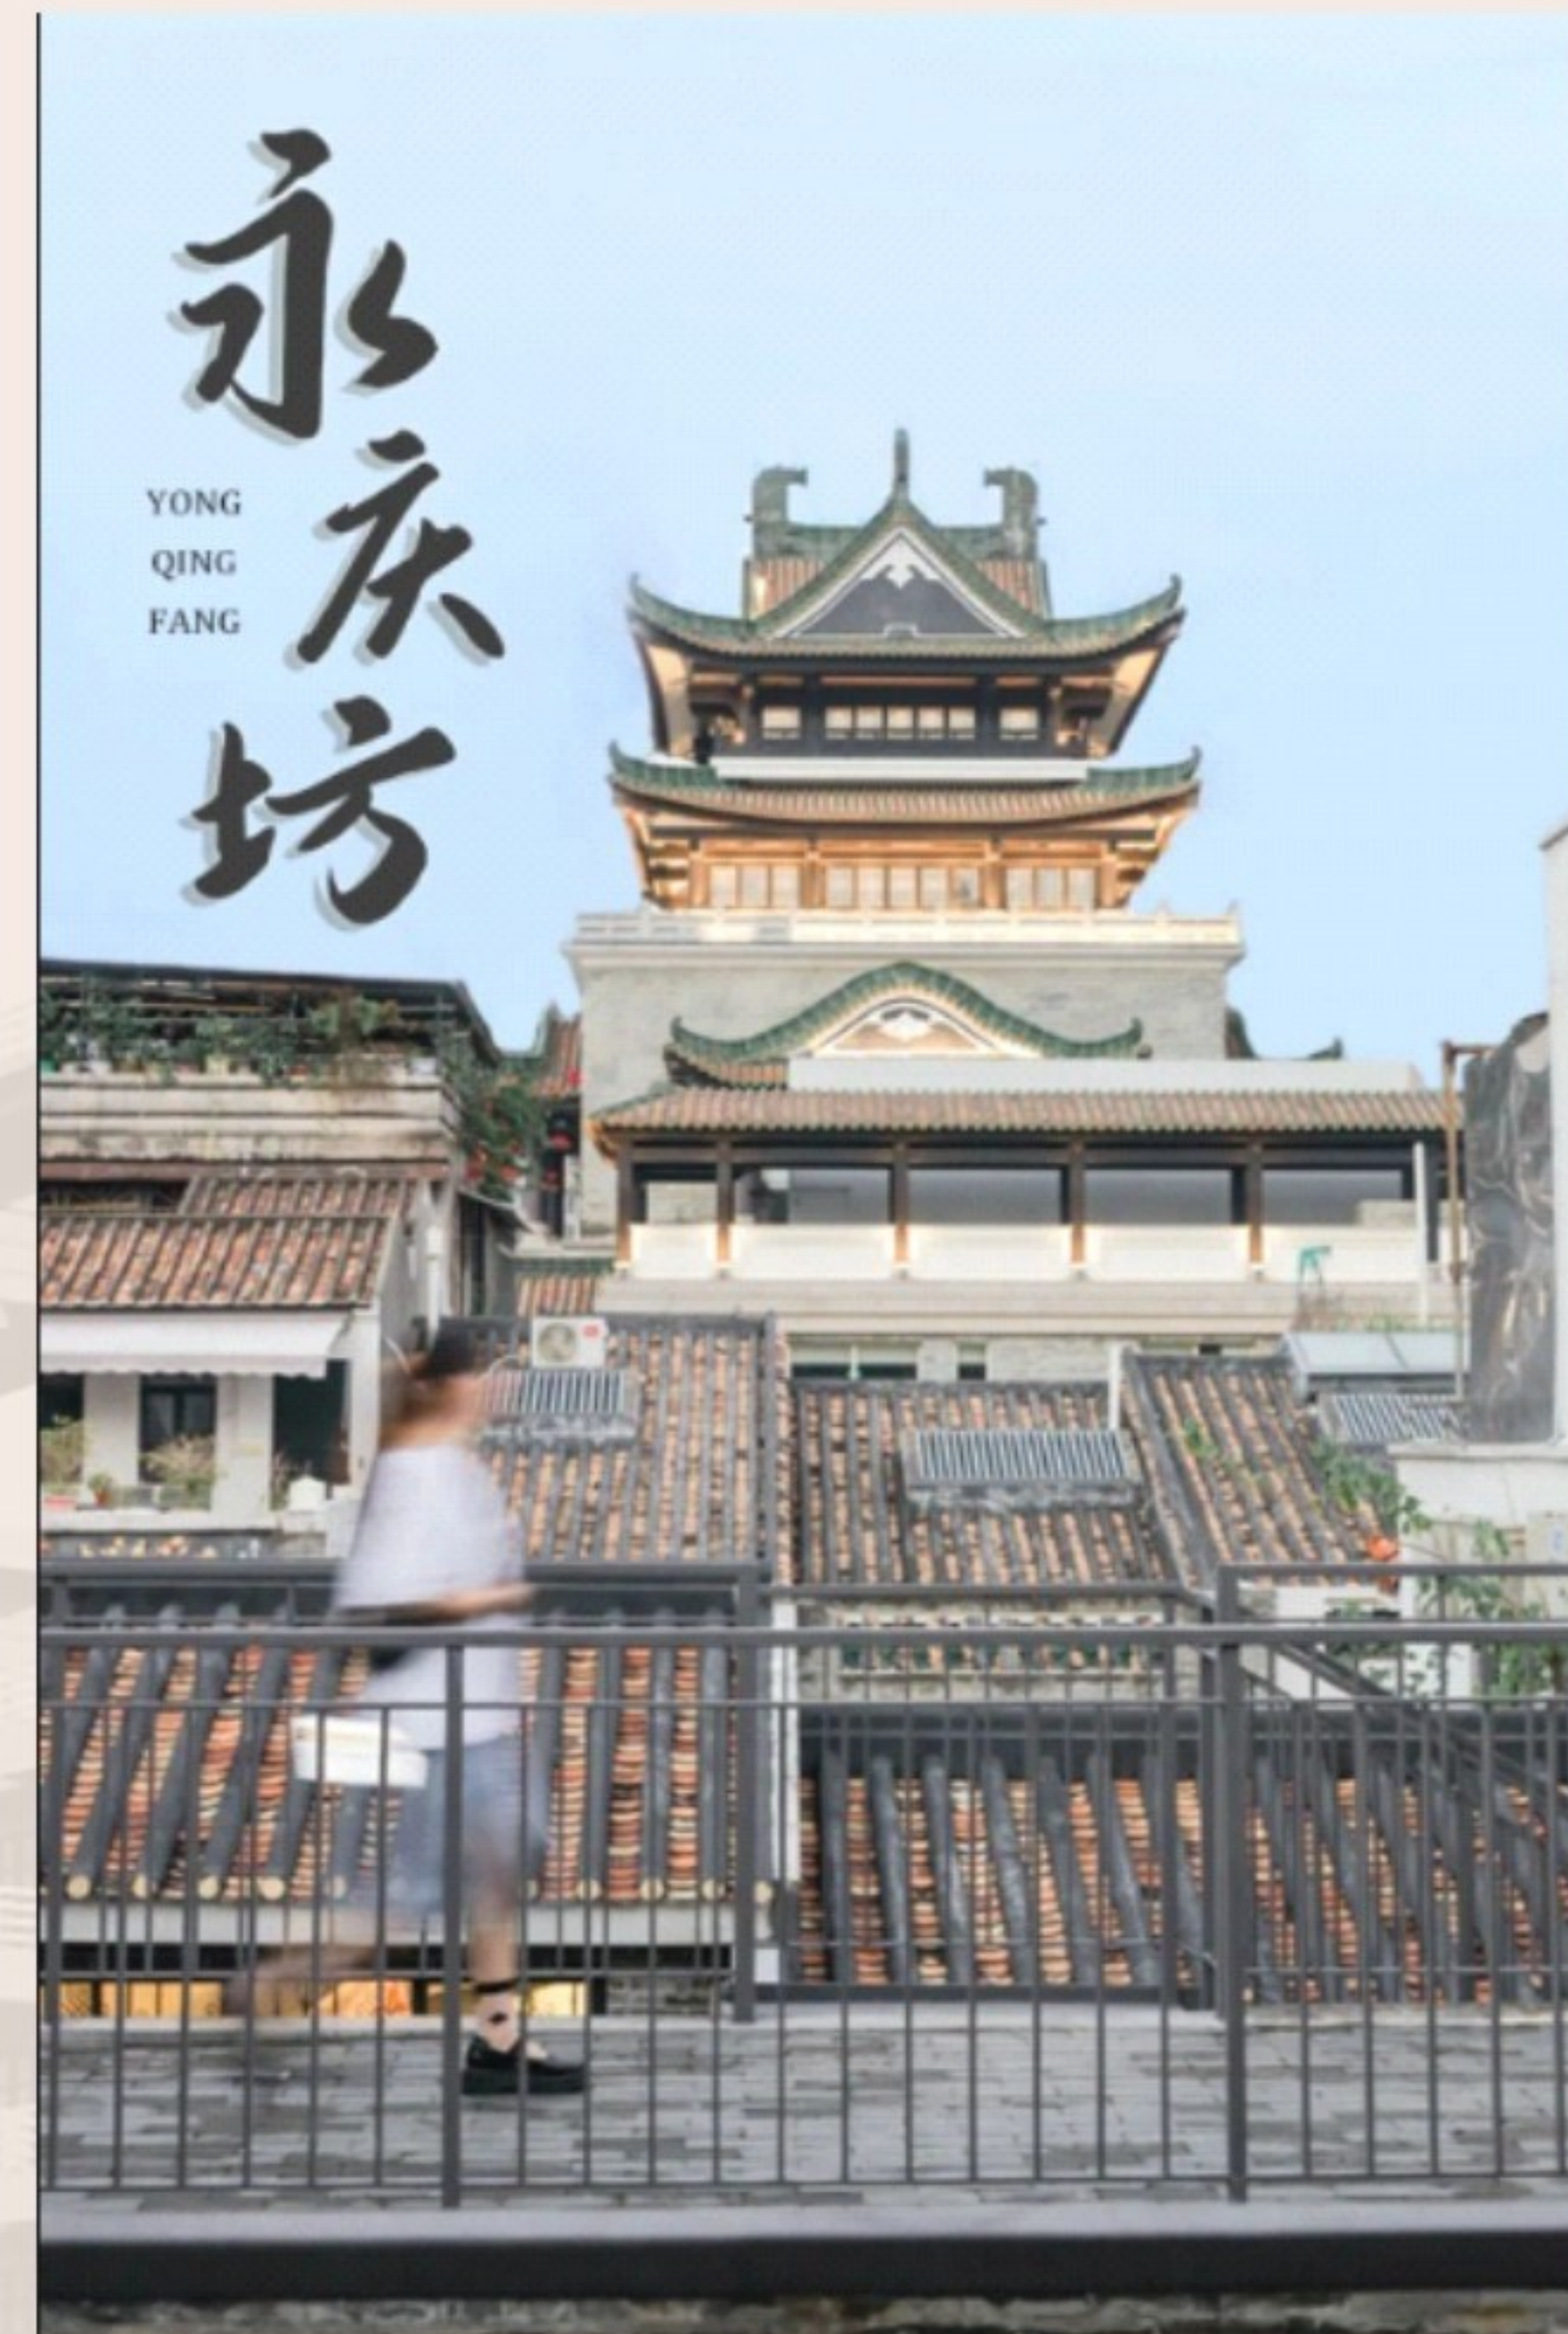

Midea Group

3. Visits to Yongqingfang in Xiguan for Lingnan intangible culture such as Cantonese porcelain, Cantonese Embroidery, enamel, bone carving, wood carving and lion dance, experience the culture of Guangzhou, and the charm of Lingnan culture and art.

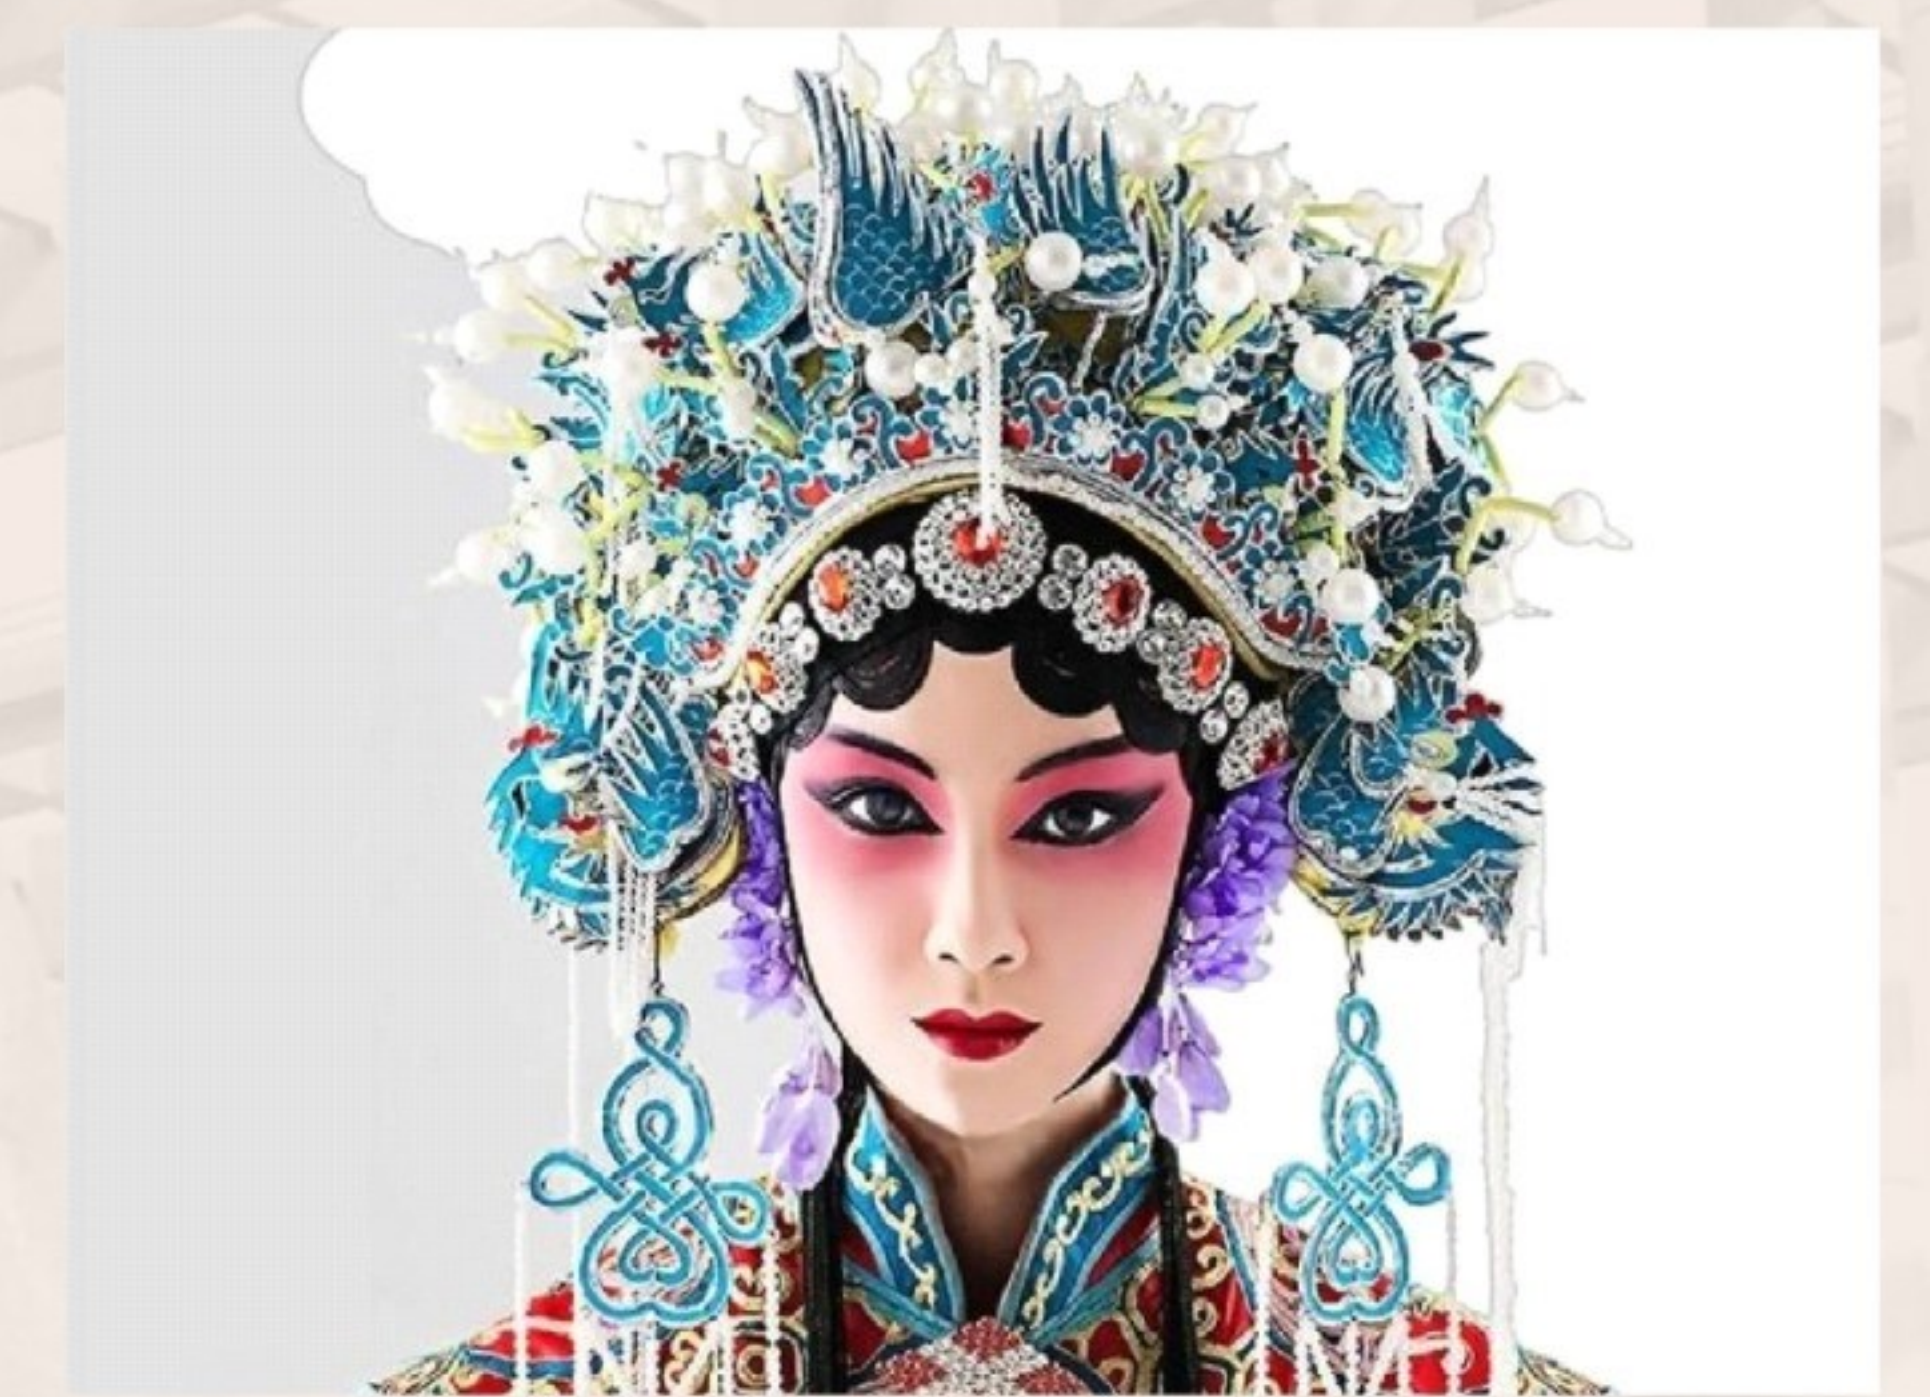

Xiguan

Yongqing Fang

Cantonese Morning Tea

Cantonese Opera

Carrying the collective nostalgia of the old Guangzhou people, Yongqing Fang, after a small transformation, has become model for the improvement of the urban environment. From ancient Cantonese opera art to trendy music scene, from Lingnan intangible cultural heritage masters to contemporary art creators, tradition and modernity meet and blend at Yongqing Fang.

Lion dance

Bone carving

Enamel

03

Innovation and entrepreneurship projects

Basing on the innovation and entrepreneurship projects of mainland universities or Hong Kong and Macao universities, students will discuss their technical optimization and business model, fully integrating the ideas and thinking from a diverse background, and to build a long-term mechanism for such cooperation of projects between Chinese and international students.

Hong Kong & Macao Students Exchange and Projects Training at GDUT Innovation Hub

04

Cultural exchange

GDUT will organize students to have sports matches and parties: group sports activities, and get-together with school art community members, to help build friendship among young people.

Experience of rural revitalization

Visit to Qingtian Village, Shunde District, Foshan to feel the ever-changing countryside and achievements brought by the national strategy of rural revitalization.

Qingtian Village, Shunde District, Foshan

Closing ceremony

A closing ceremony will be organized where participants receive winter camp certificates.

05

06

Expenses

- **The transportation fees to and from Guangzhou (air tickets, for example), and medical insurance will be borne by the participating students;**
- **GDUT will cover the accommodation, meals, travel & sightseeing fees.**
